WORK EXPERIENCE

SQA Engineer – Project QA Lead

Business Automation Limited

- 📅 November 2023 – Present 📍 Sujat Mansion, Level 6, Pallabi, Dhaka
- Spearheaded testing across multiple government and enterprise platforms as **Project QA Lead**, coordinating with cross-functional teams to deliver quality releases on schedule.
 - Designed and maintained automation frameworks for regression testing; continuously updated scripts in line with system changes.
 - Executed the full spectrum of testing: **Black-Box, End-to-End, Functional, Integration, System, API, Regression, Sanity, and Smoke Testing**.
 - Led and mentored junior QA engineers; conducted training sessions and guided the team through complex feature testing.
 - Drove requirement analysis, test strategy formulation, test plans, and test case development from scratch.
 - Actively participated in **Agile** sprint planning and backlog refinement.

SQA Engineer

Lenosoft IT Solutions

- 📅 June 2021 – October 2023 📍 Dr. Nawab Ali Tower, Puran Paltan, Dhaka
- Authored comprehensive **Test Plans, Test Cases, and QA Documentation** for multiple product releases.
 - Performed requirements gathering, gap analysis, and documentation to establish testable acceptance criteria.
 - Collaborated with the development team to ensure system testability and early defect detection.
 - Participated in **Agile** sprint ceremonies, including sprint planning, daily stand-ups, and backlog grooming.

Junior Software QA Engineer

Azolve Technologies Bangladesh Limited

- 📅 January 2019 – May 2020 📍 BDBL Bhaban, Karwan Bazar, Dhaka
- Wrote complex **SQL queries** in **MSSQL** to validate data integrity and support backend testing.
 - Produced detailed **Test Plans, Test Cases, QA Checklists, and Test Reports** aligned with project requirements.

TECHNICAL STRENGTH

Automation Tools: Selenium, Playwright API Testing Tool: Postman

Database: MSSQL, MySQL

Bug Tracking Tools: Jira, Bugzilla, Zoho, GitLab

Others: MS Word, MS Excel, MS Report Builder

Core Programming: C, Python Git, Newman

EDUCATION

M.Sc. in Information Technology

IIT - University of Dhaka

📅 Spring 2025 – Spring 2026 📍 Dhaka

B.Sc in Software Engineering

Daffodil International University - SWE

📅 Spring 2015 – Fall 2018 📍 Dhanmondi Dhaka

PROFESSIONAL SUMMARY

*Results-driven SQA Engineer with over 5 years of experience in manual and automated testing across government, banking, and enterprise platforms. Proven track record as a **Project QA Lead** delivering high-quality software in Agile environments. Skilled in building automation frameworks, mentoring QA teams, and ensuring end-to-end quality assurance.*
